Photo Release Authorization:

From time to time, the Upton Boy Scouts may be presented with the opportunity to take photos of scouts engaged in scouting activities. We would like to have your permission for Troop 132 to photograph, and to identify your son for possible use in scout related activities including the website, www.uptonscouting.com, and local newspapers.

On the website we do **NOT** identify the photos with Scout names. However, quite often names are submitted with photos in the local newspaper. We realize that people may feel differently about such publicity and we will gladly respect and accommodate your wishes on this matter.

1. Do you give approval to use your son's photo and name in the newspaper?

2. Do you give approval to use your son's photo only on our website?
